

Bonus/TASK 4:

Your task is only complete after uploading this document to Google Classroom assignment.

After completing task 1,2 or 3, complete the following reflective questions:

- ☐ Insert the link to your Google Slides chart below.

- ☐ Select one of your algorithms that include the canvas and background
- ☐ Use the sample in slide 30 to recreate an algorithm below.
- ☐ Be sure to change the values for the canvas and background.

Sample:

```
1. function setup() {  
2.   createCanvas(800, 400);  
3. }  
4. function draw() {  
5.   background(120) ;  
6. }
```

RGB Algorithm:

1.

Grayscale Algorithm:

1.
